Fix a Leak Week Rebates Available for Sweetwater Authority Customers

In honor of Fix a Leak Week, Sweetwater Authority (Authority) is offering rebates of up to \$75 for leak repairs made in March 2018. For an application and additional information on how to apply for the rebate, please visit www.sweetwater.org/fixaleak.

Minor water leaks account for more than a trillion gallons of water wasted each year in homes across the country. Fix a Leak Week was created by the Environmental Protection Agency's WaterSense program to promote the importance of repairing leaks.

To learn more about the rebate, or to schedule an appointment for a free water audit for your home or business, please call the Authority's Water Efficiency helpline at (619) 409-6779 or email waterefficiency@sweetwater.org.

Sweetwater Authority, a joint powers public agency, provides public water service to approximately 189,000 people residing in National City and the South Bay Irrigation District (which includes portions of Chula Vista and most of Bonita).
