## MEDIA RELEASE

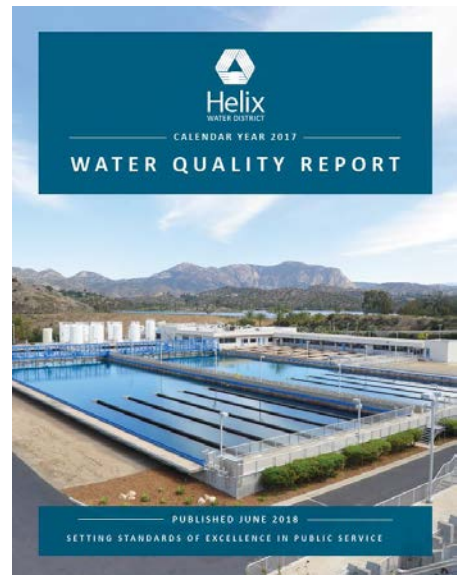

June 22, 2018 – For Immediate Release

### Helix Water District's annual Water Quality Report now available for viewing online

Helix Water District's Water Quality Report for calendar year 2017 has been published and posted to the district's website at <https://hwd.com/quality/wqr-english.pdf>. A Spanish version is also available at <https://hwd.com/quality/wqr-espanol.pdf>.

The annual Water Quality Report contains important information about the source and quality of customers' drinking water. As in years past, Helix Water District tap water met all U.S. Environmental Protection Agency and state of California drinking water health standards.

For questions regarding the report, call 619-667-6248 or email [wqr@helixwater.org](mailto:wqr@helixwater.org). To have a paper copy of the report mailed to your home, call 619-466-0585.
