Padre Dam Municipal Water District to Host Career Workshop *From Classroom to Career: Essentials for First-Time Job Seekers*

May 8, 2025 – Are you interested in landing a career in the water industry? Padre Dam Municipal Water District is hosting a career workshop at its Customer Service Center on **Thursday, May 15** from **5:30 pm to 7 pm**.

Those interested in a fulfilling career in public service are invited to hear from experts about jobs in the water industry, learn interview tips and tricks, and receive resume review. This event is open to the public with an emphasis on entry-level professionals, career changes, and students.

“From customer service and engineering to finance and park and recreation, there are incredible career opportunities in your own backyard,” said Kyle Swanson, Padre Dam CEO/General Manager. “Padre Dam offers a diverse range of jobs that offer competitive salaries, excellent benefits and the opportunity to make a difference in your community.”

If you’re interested in attending this event, visit: www.padredam.org to sign up today.

Check out our [recruitment video](#) to learn what it’s like to work at Padre Dam.

Padre Dam provides water, sewer, recycled water and recreation services to more than 100,000 residents in East San Diego County including Santee, El Cajon, Lakeside, Flinn Springs, Harbison Canyon, Blossom Valley, Alpine, Dehesa, and Crest. The District is a public agency with policies and procedures directed by an elected five-member Board of Directors.
